

CHE CHE VULE – PRIVATE VILLA - ZANZIBAR

Che Che Vule is located on a secluded beach strip in Matemwe, and from the villa you overlook an azure blue ocean. Che Che Vule provides privacy, and a personalized one on one guest service.

There are two private butlers in Che Che Vule making sure our guests get everything they wish for. Our two acclaimed Swahili chefs are fluent in authentic Swahili dishes and most importantly they adapt the menu to your preferred palate using only the freshest island ingredients.

Che Che Vule is a private villa and therefore it is ideal for families and groups who are looking for something beyond the regular hotel experience. Enjoy the tranquillity of the surrounding tropical garden, rest and relax at the pool, dip and play in the warm Indian Ocean water, or go on a guided tour to discover Zanzibar's mystic island atmosphere and history.
