

Launched in association with our sister company The Z Hotel, the villas are situated on the northern tip of the magical island of Zanzibar. The secluded Villas come fully staffed with a personal chef, waiter, butler, housekeeper and villa manager – all on hand to indulge your every whim. They also include a driver for free transfers to the nearby Z Hotel, and the amenities of Nungwi Beach.

LOCATION

Approximately 60 km or 1 hour from Stone Town and Zanzibar International Airport. The villas are situated on a small cliff, that overlooks the Indian Ocean with the peaceful village Kidoti nearby. They have adjoining landscaped gardens, decking, hammocks, sun loungers, outdoor showers and a shared infinity pool.

VILLA FEATURES

Both villas are equipped with air-conditioning, cable TV and good WIFI connection. A full food and drink service is available. Villa guests have access to hotel amenities: spa, beach and restaurant.

The villas are on privately owned gated grounds set back from the main road and come with security guards on site 24/7.

Between the 2 villas we can accommodate up to 10 people.

VILLA AMARILLO

AMENITIES

At 190 sqm, this charming 2-bedroom, 2-bathroom hacienda-style villa is decorated in a mix of Arabic and traditional Zanzibar styles and has high-beamed ceilings throughout. With locally sourced antique pieces and bespoke furniture made from recycled Dhow wood, this villa is one of a kind and ideal for a relaxed, unique get-away. The elevated terrace is perfect for watching the sunset across the Indian Ocean, while lounging on the built-in sofas and comfy cushions. At the other end of the terrace, you can enjoy meals on the rustic wooden dining table seating up to 6 guests.

DETAILS

The spacious master suite has a 4-poster super king size bed, walk-in wardrobe, en-suite bathroom and French doors leading onto the terrace. The second bedroom can be set up either as a twin or king double, and comes with its own separate family bathroom. The sunken living room has large dual aspect Arabic windows and built-in daybeds for relaxing and getting away from the African sun. The villa comes with a fully fitted kitchen including a double-door American size fridge and all modern appliances, air conditioning, iPads, Bluetooth speakers, and LED flat screen TVs (with cable channels) in the living room and master suite. This beautiful villa is ideal for those who enjoy rustic charm accompanied by all modern comforts and would suit a couple, a small group of friends or a family.

CASA BLANCA

AMENITIES

At 280 sqm, this spacious and luxurious 3 bed room, 3 bath room villa is decorated in an Ibiza and Zanzibar fusion style. Furniture has been imported from Italy and UK and is complimented with locally made pieces from Zanzibar grown coconut wood. The Italian kitchen has built in appliances by Siemens with stone work tops and a double door American size fridge. The villa comes with indoor and outdoor eating areas, 2 large en-suite king bedrooms, plus a twin bed room and a family bath room.

DETAILS

The villa has cream Turkish marble floors throughout, lightening by Philippe Starck and original art pieces by established artists from Tanzania, Kenya, Ghana, Uganda and Germany. Floor to ceiling glass panels enable fantastic sea and sunset views from the living area, master suite and large terrace. You won't need any mod cons to entertain you, but for those who do, the Villa comes with iPod docks, iPad, Bluetooth speakers and LED Flat screen TV in the living area and master bedroom. There are also a large selections of board games and DVDs. The large light and airy villa would suit families, small groups and a luxury romantic getaway.
