

## LOCATION

The Resorts are an hour's drive from Zanzibar International Airport on good roads. To fly into Zanzibar, visitors take a 55-minute flight from Nairobi, Kenya, the region's largest city with air-links from virtually every major world city. Many other international airlines fly direct to Dar es Salaam, a city on the coast of mainland Tanzania, from where you can take a local flight (15 minutes) to the island or cross the channel by ferry (2 hours). There are also regular flights from Arusha in Tanzania and several international airlines now fly direct to Zanzibar.
